Alan,

Attached is the draft rationale for Oregon's Forest Roads, drafted by Chris Solloway. I'm not sure who all is in his work group, but I'm hoping you do so you can forward this to everyone who needs to see this. Chris is Ex. 6 - Personal Privacy and with be focusing on other matters when he returns. I don't know much more about his availability than that.

We'll talk next week. Thanks.
